ROAD CLASSIFICATION
Heavy-duty ——— Light-duty ———
Unimproved dirt ———
U.S. Route

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

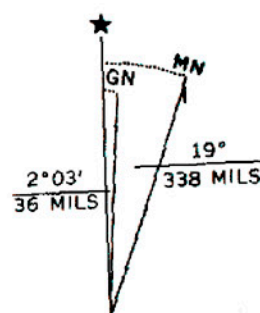

Topography by photogrammetric methods from aerial photographs taken 1961. Field checked 1964

Polyconic projection. 1927 North American datum
10,000-foot grid based on Montana coordinate system, central zone
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

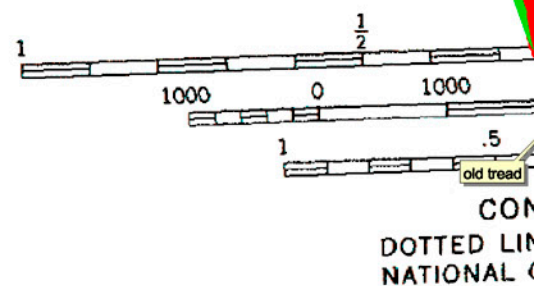

Fine red dashed lines indicate selected fence lines
Where omitted, land lines have not been established

Revisions shown in purple and recompilation of woodland areas compiled from aerial photographs taken 1976. Map edited 1978
This information not field checked

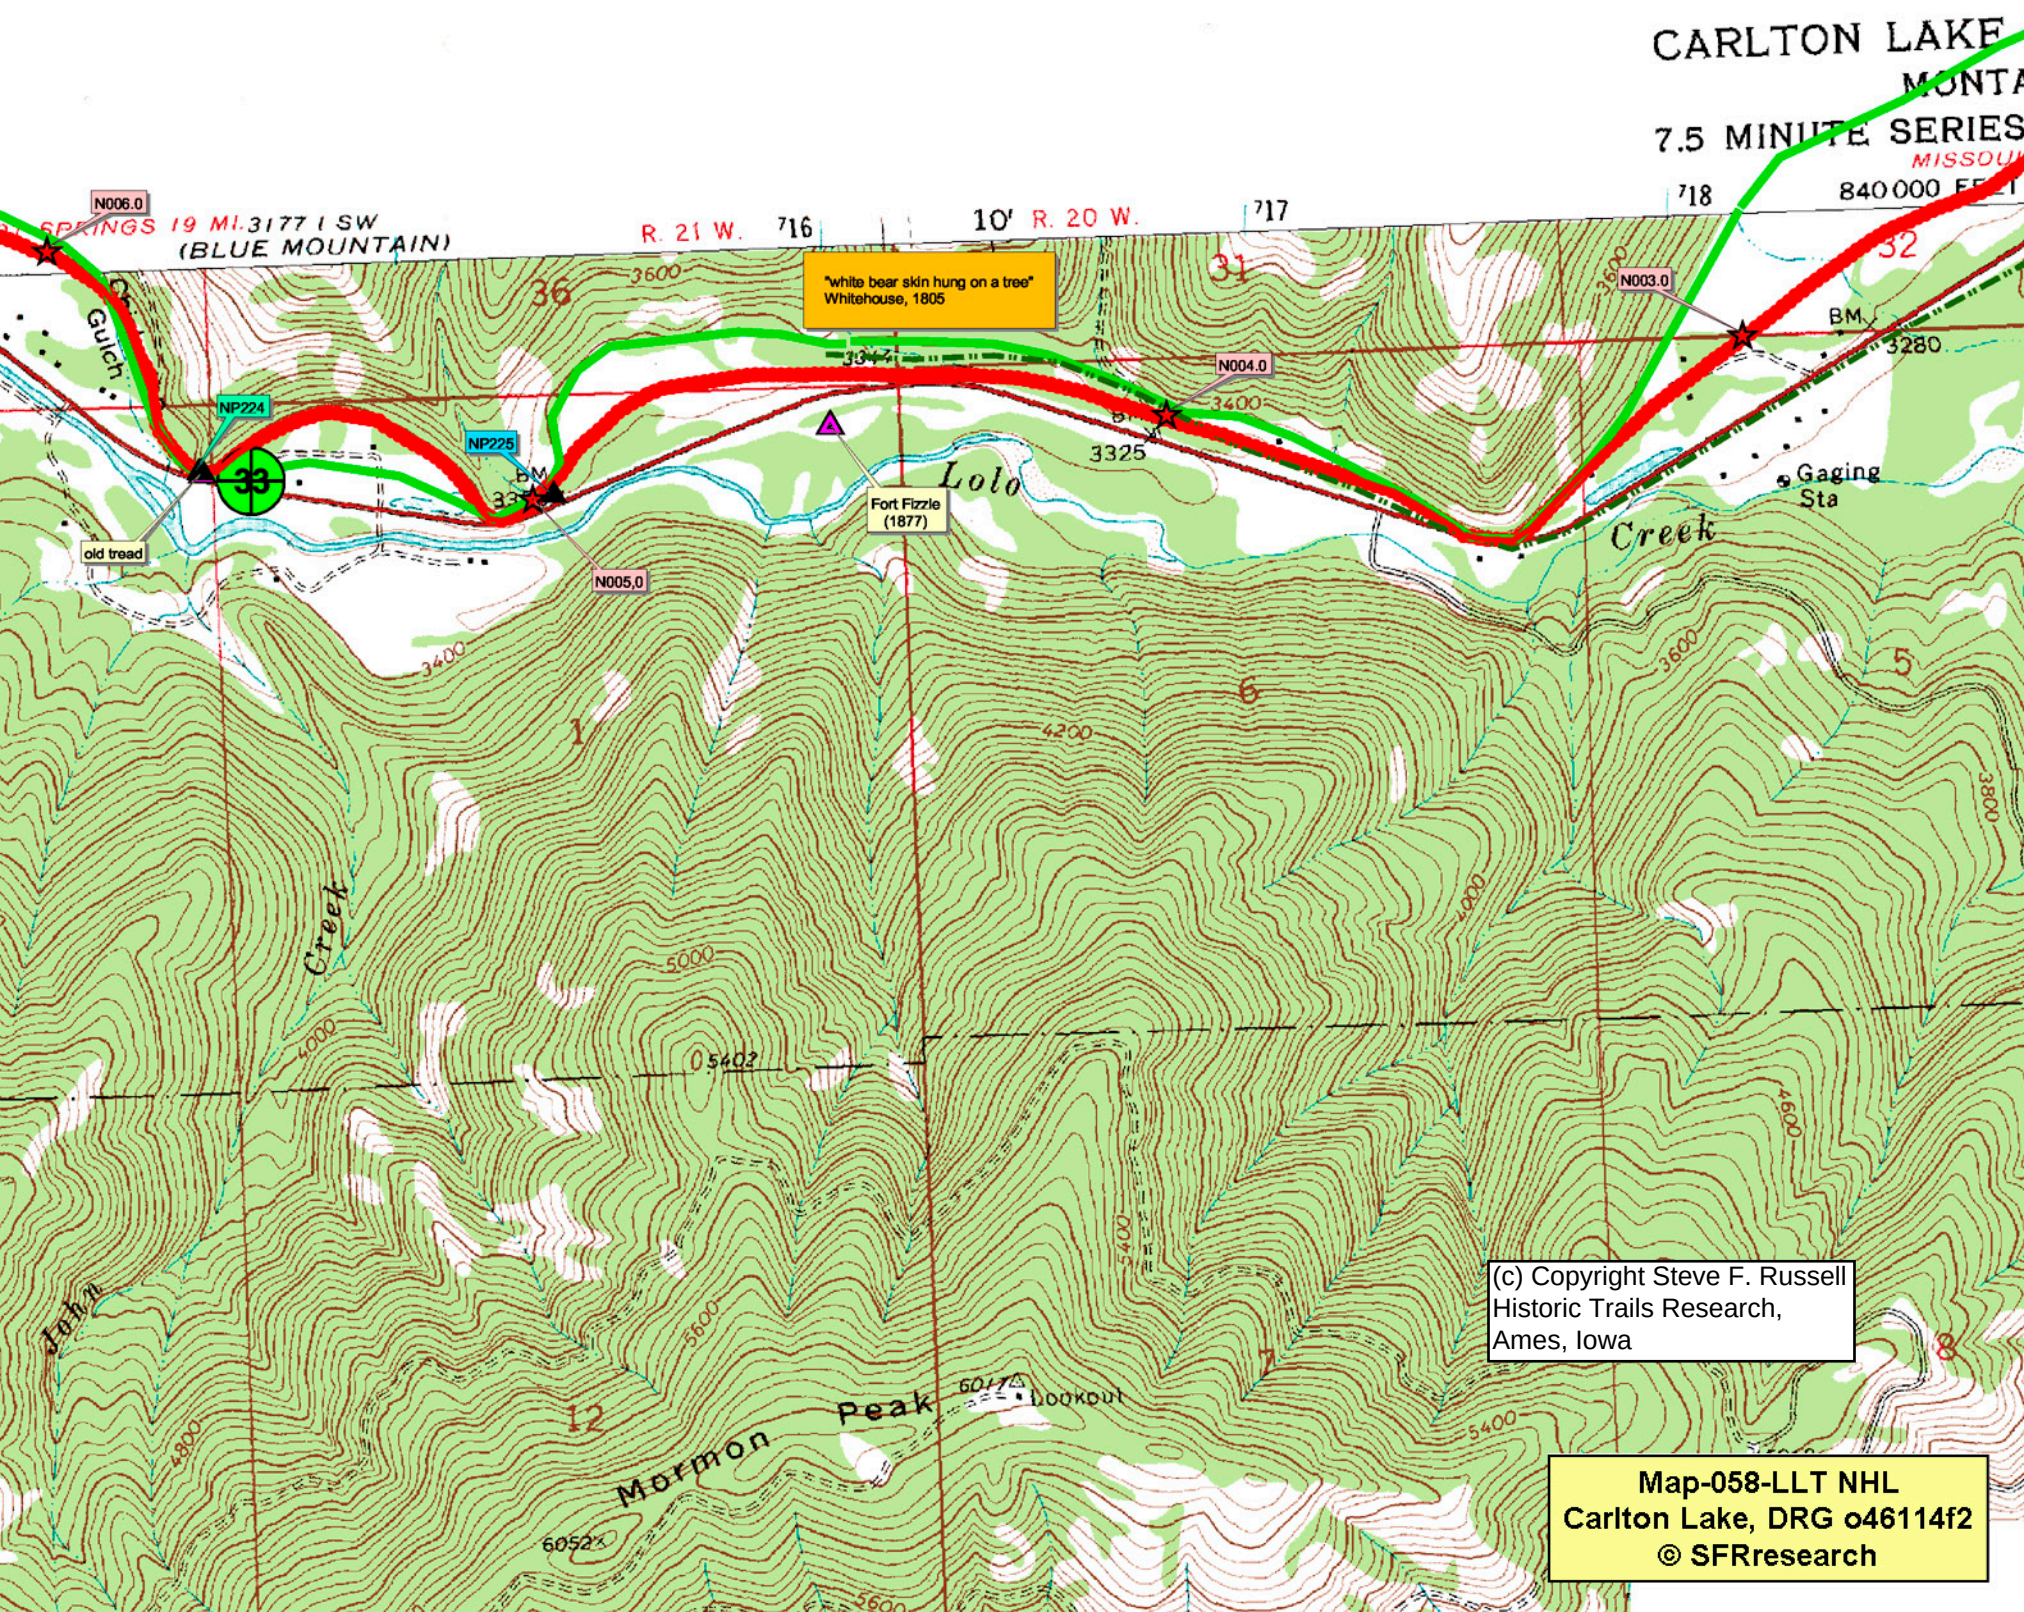

There may be private inholdings within the boundaries of the National or State reservations shown on this map

UTM GRID AND 1978 MAGNETIC NORTH DECLINATION AT CENTER OF SHEET
